### HOW THE POLL WAS CONDUCTED

**This poll was conducted by Mason-Dixon Polling & Strategy, Inc. of Jacksonville, Florida from January 13 through January 17, 2022. A total of 625 registered Virginia voters statewide were interviewed live by telephone.**

**Those interviewed were randomly selected from a phone-matched Virginia voter registration list that included both landline and cell phone numbers. Quotas were assigned to reflect voter registration by county.**

**The margin for error, according to standards customarily used by statisticians, is no more than  $\pm 4$  percentage points. This means that there is a 95 percent probability that the "true" figure would fall within that range if all voters were surveyed. The margin for error is higher for any subgroup, such as a gender or age grouping**

**QUESTION: Virginia gives a state tax credit of 65 percent to individuals and businesses if they contribute money to nonprofit organizations that distribute private school scholarships to low-income children. This program is called the Education Improvement Scholarship Tax Credit. In general, do you support or oppose such a program?**
